Re: case number : 9:23-CV-326 (BKS/ML)

Dear Judge:

I am the pro se Plaintiff in the above referenced case. I write to respectfully request an extension of the time from March 29, 2024, (the date I received the notice from the court), a new date (to be determined by the court) to file interrogatories.

This is my first such request for an extension. I have not conferred with opposing counsel about this request for an extension. The reason for this request is: I have been unable to get legal representation on my own. I have written to the courts requesting the services of a pro bono attorney to assist me and hope to have a determination shortly.

I thank the Court in advance for its consideration.

Respectfully submitted,
